Meet Me At Track Format Grades 2-6

Each athlete will be placed into a group according to their current grade level. They will then spend an equal amount of time at each station learning track and field skills. The stations will include jumping, relays, pole vault, shot, discus, as well as other track and field events. Please remember this is an introduction to track and field activities and that your son and / or daughter will not be an expert at any event by the end of this clinic.

Clinic will start at 5:00 and end at 6:00. If you arrive early, please just wait patiently in the stands until we begin.

Race to The Ranch Format Grades 4-6

Each athlete will get an opportunity to compete in any number of events from the 100m, 200m, 400m, 800m, 4x100m relay, softball throw, long jump, and pole vault.

Athletes will **not** sign up for events, they will be encouraged to try and compete in as many events as they so choose.

Race to the Ranch will begin at 9:30am. Gates will open at 9:00 on April 23rd.

For registration go to
